SPCS PTA's 15th Anniversary

As we celebrate SPCS PTA's 15th Anniversary, we strive to uphold one of our missions to "connect with love and care". This year, PTA proudly present 3 unique Paulinian-style masks as part of the celebration. Each member was entitled to one free box of masks with the style of tartan pattern, school signature oxford shoes and building as part of the celebration.

Apart from the 15th Anniversary masks box, SPCS PTA is thrilled to announce that our new SPCS PTA website has officially been launched. This new website has taken a great step with modern design, improved functionality, and easy access to essential information that are beneficial to our members. The website shows how working as a team and supporting one another yield the success of great projects and events for each and every PTA member to celebrate and enjoy. This is a landmark in our history and a statement of how far we have come as a community and as a family.
