Chairman's Report 2025/26

Reporting Period: 1 September 2025 – 31 August 2026

Dear Principal, teachers, parents, and members,

On behalf of the Executive Committee of the St. Paul's Convent School Parent-Teacher Association (SPCS PTA), I am pleased to present the Chairman's Report for the year ended 31 August 2026.

The 2025/26 school year has been a productive and rewarding year for the Association. Guided by our mission to strengthen home-school collaboration and foster a caring and supportive school community, the PTA continued to provide a wide range of activities and initiatives that supported parents in their parenting roles and promoted meaningful engagement among parents, teachers, and students.

Throughout the year, we remained committed to creating opportunities for learning, service, personal growth, and family bonding. Furthermore, our parent education programmes were met with an overwhelmingly positive response, reflecting parents' strong commitment to continuous learning and their desire to better support their daughters' academic, emotional, and personal development. Equally encouraging was the unwavering dedication of our parent volunteers, whose generous contributions of time and effort played a vital role in the successful delivery of numerous PTA and school activities.

As the PTA approaches its 20th year of service to the SPCS community, we will continue to build on the strong foundation established by our predecessors and remain committed to fostering meaningful partnerships between home and school.
